To Whom It May Concern:

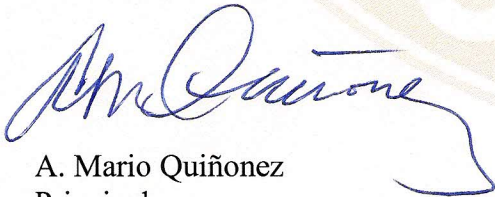

Mrs. Martha Burian is an experienced Art teacher who taught at Ries Elementary School for five years. I have had the wonderful opportunity to observe her work with students, staff, administration, and the Ries community.

She has excellent rapport with colleagues, parents, and students. She showed a sincere interest in all students as individuals and was consistently fair in dealing with them. Mrs. Burian constantly searched for ways to collaborate and communicate in a more interesting and informative manner. The parents and students like and respect her and were extremely pleased with her efforts and dedication.

Mrs. Burian related exceptionally well to her colleagues, as she was outgoing and exhibited a professional personality. Her appearance was beyond reproach and she reflected a positive, optimistic attitude about life and art education. I found her very cooperative with special or extra assigned tasks and duties. She communicated clearly and effectively. Mrs. Burian is very articulate, tactful, and impressive. She beautified our cafeteria, office, and every hallway. Art work is displayed throughout our campus. Mrs. Burian created an art project with every fifth grade classroom that will be exhibited for years to come. She volunteered her mornings once a week and met with The Ries Art Club.

I consider her a capable dedicated art teacher and an asset to any school. Ms. Burian is talented, ambitious, and I highly recommend her without reservation for any position she is seeking.

Sincerely yours,

A. Mario Quiñonez
